Dear members of the Vista Education Foundation,

I just want to take a moment to express my appreciation for the wonderful event you hosted last evening! I feel so honored to have received the recognition from this great foundation. I know I don't have all of the emails for your board members so please pass on my thanks to those I have missed. We so enjoyed the delicious dinner, graciously presented. "Tommy" was a joy to see, hear and feel, (and oh my, those costumes!). I want to thank the Foundation for all your support of our students, but especially for your acknowledgment of the value of Art Education for those students. I see that value every day in my classroom, and don't always know how to shout it from the rooftops. Vista Education Foundation is doing its part to fill that need. Keep up the fantastic work.

Sincerely,

Susan A. Clark

PS. I just requested a large supply order to replenish our very expensive, but professional quality Prismacolor Colored pencils, thanks to the generous check we received last year from the Foundation!
