

Supporting Arts, Technology and Scholarships for VUSD students

VISTA EDUCATION FOUNDATION GRANT APPLICATION

Date: _____

Name of Applicant (Contact): _____

Project Name: _____

Contact Phone No: _____

Make Check Payable To (if approved): _____

Application must be complete to be considered. Information must be specific, relevant and related to visual and/or performing arts, technology or scholarships. Goals, objectives and outcomes must be realistic and measurable.

1. PROPOSAL NARRATIVE:

Provide brief description of applicant organization, program, school or department. Why is this project important to your organization?

2. DESCRIPTION OF THE PROJECT OR PROGRAM TO BE FUNDED:

Overall description of project. Amount of support you are requesting. Target population. How many will be served? Location of program (specifically within your organization). Include an implementation and completion timeline.

3. EVALUATION:

Include goals and expected outcomes. How will you evaluate/measure the success of your project?

4. APPLICATION:

Please submit a narrative application which is five hundred words or less and includes the information listed in items 1-3. Complete the grant cover letter. Submit both items to the Vista Education Foundation.

Please allow a minimum of 30 days for application review.

Vista Education Foundation funding support must be publically acknowledged by the applicant organization/department and/or any entity that provides goods, services or labor to implement or complete the goals or objectives of the proposed project. VEF reserves the right to use the funded project details in future marketing.
