Dear JoAnn & Vista Education Foundation,

On behalf of the faculty, staff, and students of Mission Vista High School, we thank you for your generous contribution for our Senior Awards Night Ceremony on May 22, 2014. The number of scholarships awarded at our 2014 Senior Awards exceeded our expectations, and we know that the students receiving these awards are most appreciative. We look forward to your participation in our Senior Awards Night 2015! Thank you so very much for all that you do for education and our students. It has been a great joy working with you this year!

Sincerely,

Valerie Weethee
