Dear Ladies and Gentlemen of the Vista Education Foundation,

Again, we find your generosity outstanding. Thank you for your extremely generous support of the Washington Middle School Music Program. The support you bring to our school is such an important vehicle for us to reach the lives of our young people.

As you are well aware, music brings so many benefits beyond just the ability to make sounds out of pieces of metal; it teaches our students an appreciation for the arts which they have so little of in their lives. The other benefits of music are intrinsic to the learning process and cannot be measured by their skill at playing Beethoven's Symphony No. 9. Offering programs to enrich the lives of students is a luxury we cannot afford to forgo. Thank you for making these opportunities possible. We thank you, and the students of today and tomorrow thank you.

Sincerely,
